WHERE DO WE GO FROM HERE?

ABRAHAM LINCOLN

Where do we go from here?

Lincoln cheered and roared with great spirit. As always, the people of Lincoln were there to cheer our teams to a hopeful victory.

Where do we go from here?

This question was answered in the classroom. Our futures began at school with the wide variety of course offerings, from woodworking to homemaking, from computer technology to knowledge of the human body.

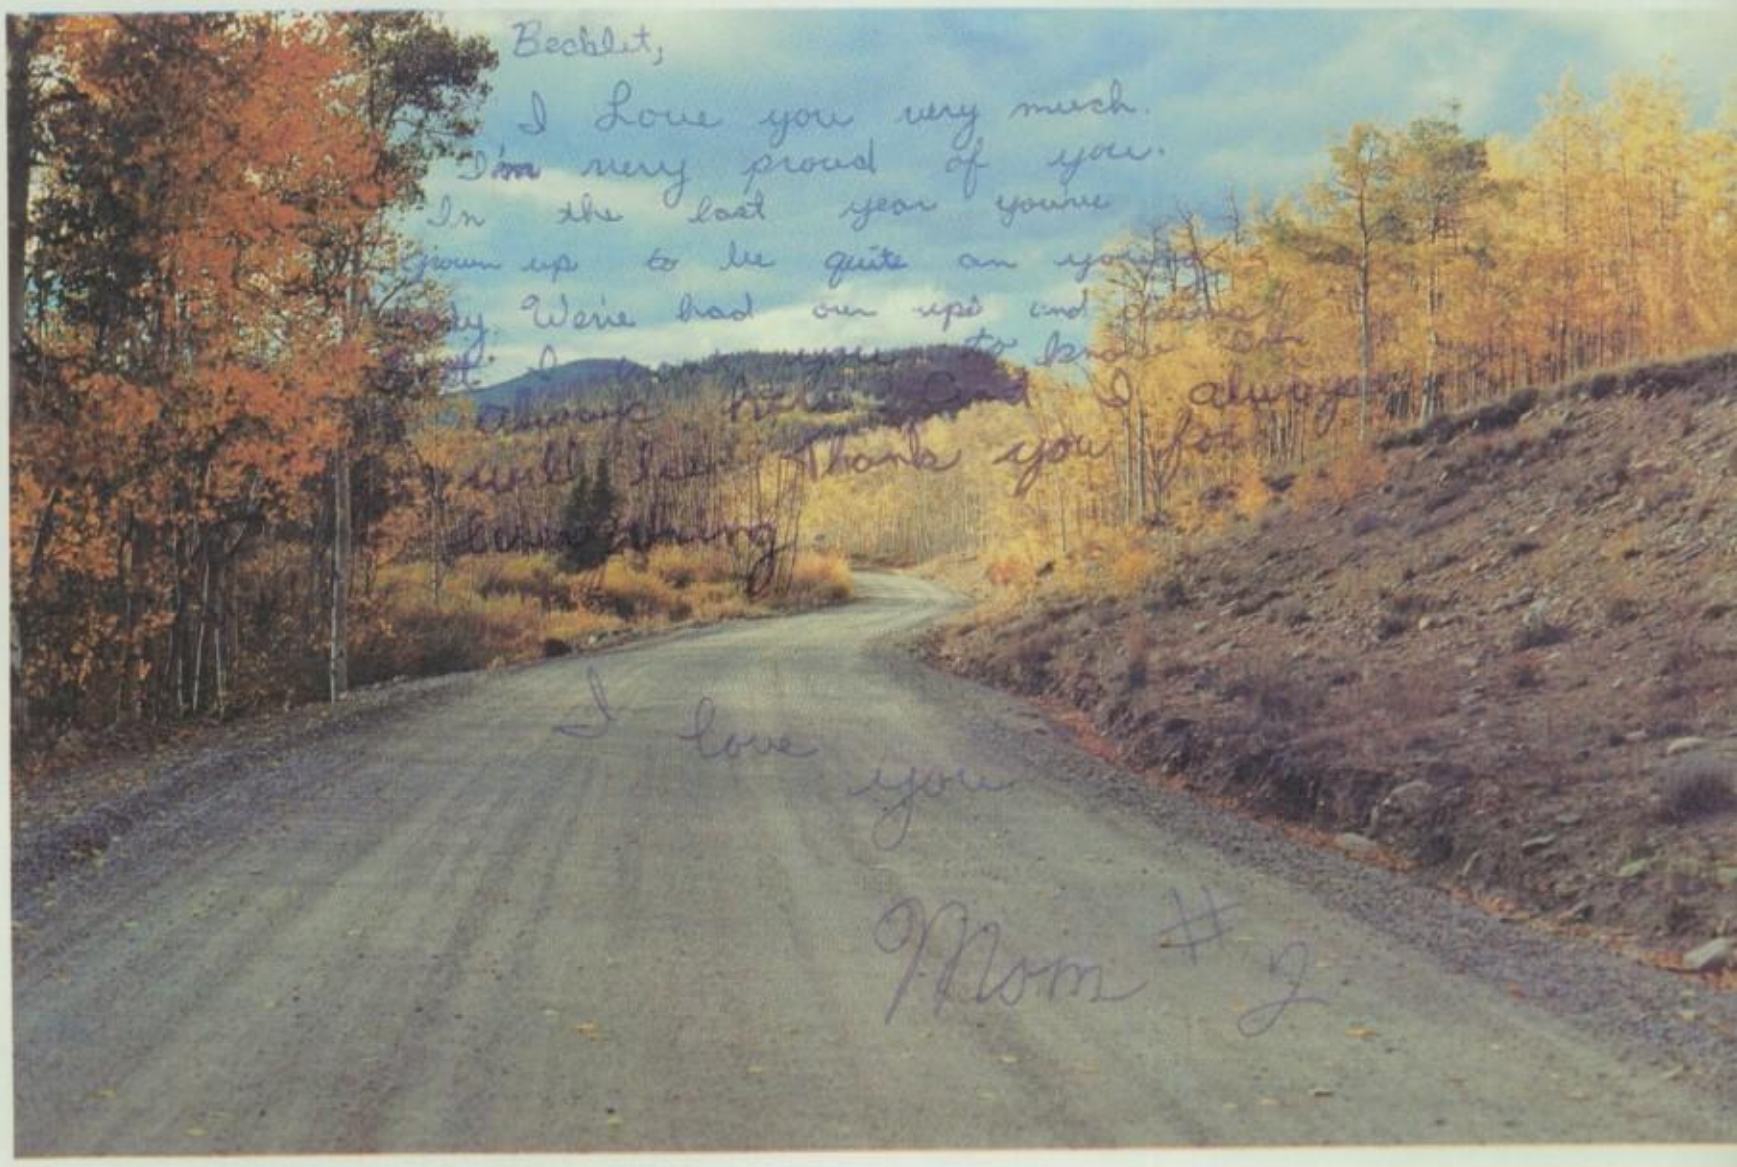
COLORADO

Where do we go from here?

As any Colorado native knows, there are many different scenes to this beautiful state. All four seasons brought breath-taking beauty to our mountains, and booming downtown Denver had a certain mystique about it.



Becklit,
I Love you very much.
I'm very proud of you.
In the last year you've

Where do we go from here?

What were the people like here at Lincoln? Most were very likable and willing to let that smile escape. Some volunteered themselves for the activities that made them practice well into the evening. Others just loafed around enjoying a few quiet moments. Whatever our personalities, we all joined together to make this the best school in Denver, but where do we go from here?

Becky,
Well here we are, the ending of a great year, and the beginning of even a better summer! I am glad you finally got yourself to Lincoln, even though we had trouble at the beginning. Golfers have great season

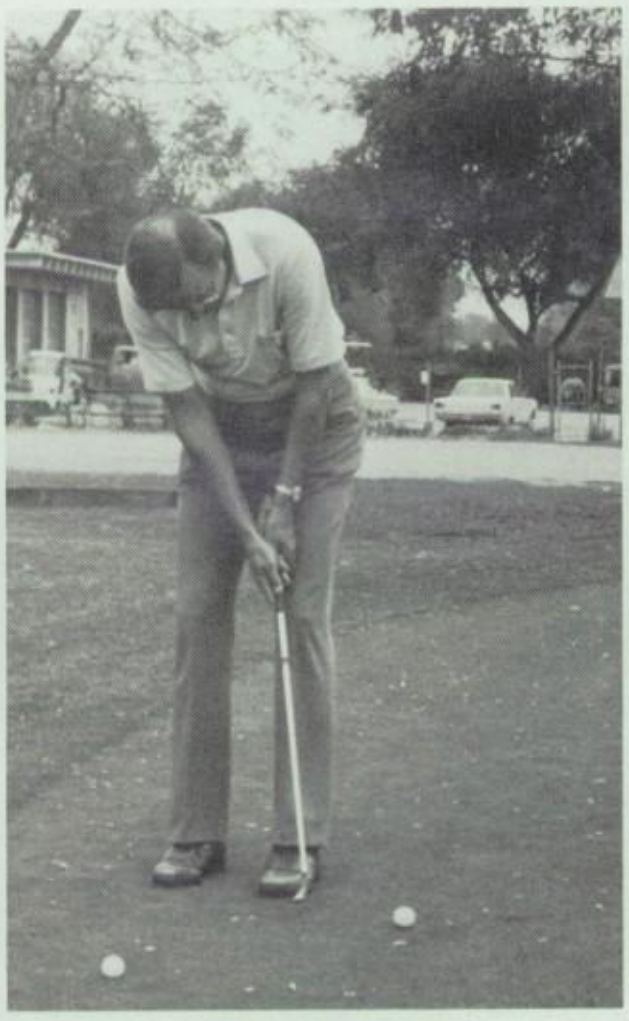
BACK ROW, l-r: Carroll, J.; Willmarth, B.; Urban, T.; Ciberay, S.; W. Blair, Coach. FRONT ROW: Trujillo, J.; Ulibarri, A.; Taylor, D.; Torsney, M.

The Golf Team this year had a great season. With cooperation, hard concentration, and good team effort, they placed 2nd in the City Cup Tournament. "This was the highest that Lincoln's Golf Team has ever placed in the City Cup Tournament in the past 5 years," commented Mr. Warren Blair when asked about this year's Lancer Golf Team.

This year's team consisted of 5 seniors, 1 junior, and 2 sophomores. Out of the 8 players, 5 were returning lettermen. The top player on the team was Steve Ciberay, winning 6 and losing 3 matches for the season. Placing 2nd on the team was Jerome Trujillo.

In his eleventh year as coach, Mr. Warren Blair felt the 1981 team had a very good season, resulting from good team effort and participation. But he would like to point out that golf as a co-ed sport is open to both girls and boys.

Concentration is important!



Decisions! Decisions!

Gotcha!

Varsity has rough season

It was a long and disappointing season for the Lancers. Although the victories were few, the Lancers were still an extremely proud team. There were many good players and they were all fine men.

Leading this year's defense were Joe Delmonico, Tom Burgesser, Eddie Franco, Matt Robinson, Art Richmond, David Trujillo, Brian Leslie, and sophomore Tony Delmonico. Leading offense players were Jody Young, Jim Chesley, Daryel Thompson, and Tim Maestas.

Voted Most Valuable Players for the 1981 season were seniors Jody Young on offense and Joe Delmonico on defense.

Next year's Varsity Team should have a better season with juniors Brian Leslie, Dale Trujillo, and David Trujillo, and sophomore Tony Delmonico to lead the defense, and juniors Stephen Shroenburger and Tim Maestas and sophomores Tony Colaizzi, Tony Bettini, Freddie Salazar and Mark Stanker to contribute to the offense.

Coach Besse thinks things over.

This year's Sophomore Football Team had a fairly good season. The season started out with their first game against North, ending in an 18-6 victory.

This year's team consisted of 28 players. The offense was led by the running of Freddie Salazar, Mark Stanker, Tony Colaizzi, and Tony Bettini. The offensive line, led by Andy Hoffman, Willie Porter, Steve Smith, and Craig Kaiser, did an excellent job. The defensive unit played well all year. Tony Betini and Greg Gonzales led the defense with great contributions by Tim Spencer and Freddie Salazar.

Voted Most Valuable Players for the 1981 season were Willie Porter on offense and Andy Hoffman on defense.

Having the necessary skill and team effort, this year's team could help contribute to next year's varsity team.

Cross Country: Mile after mile

The Lincoln Cross Country Team was divided into two separate teams with the girls totaling nine members and the boys having nine members also.

The boys' team had a successful season with six wins and three losses. Ted Arellano, a sophomore, was a very valuable member, setting a school record for the 5000 meter run with a time of 17.25. Other valuable members of the team were Rickie Dickerson and Sef Garcia. Sef Garcia was also chosen as most improved runner. The boys' successful year included taking 4th in league and 4th in districts. Leading the team as captain was Larry Arellano.

The girls' team didn't do as well as they hoped. They had a total of four wins and four losses. Becky Dickerson and Dawna Lopez led the team to 7th in league and 7th in districts. The most valuable runners were Diana Herrera and Laura Dickerson. Laura Dickerson was also most improved runner.

The boys' and girls' cross country overall had a good season. This year should lead them to a more successful season next year.

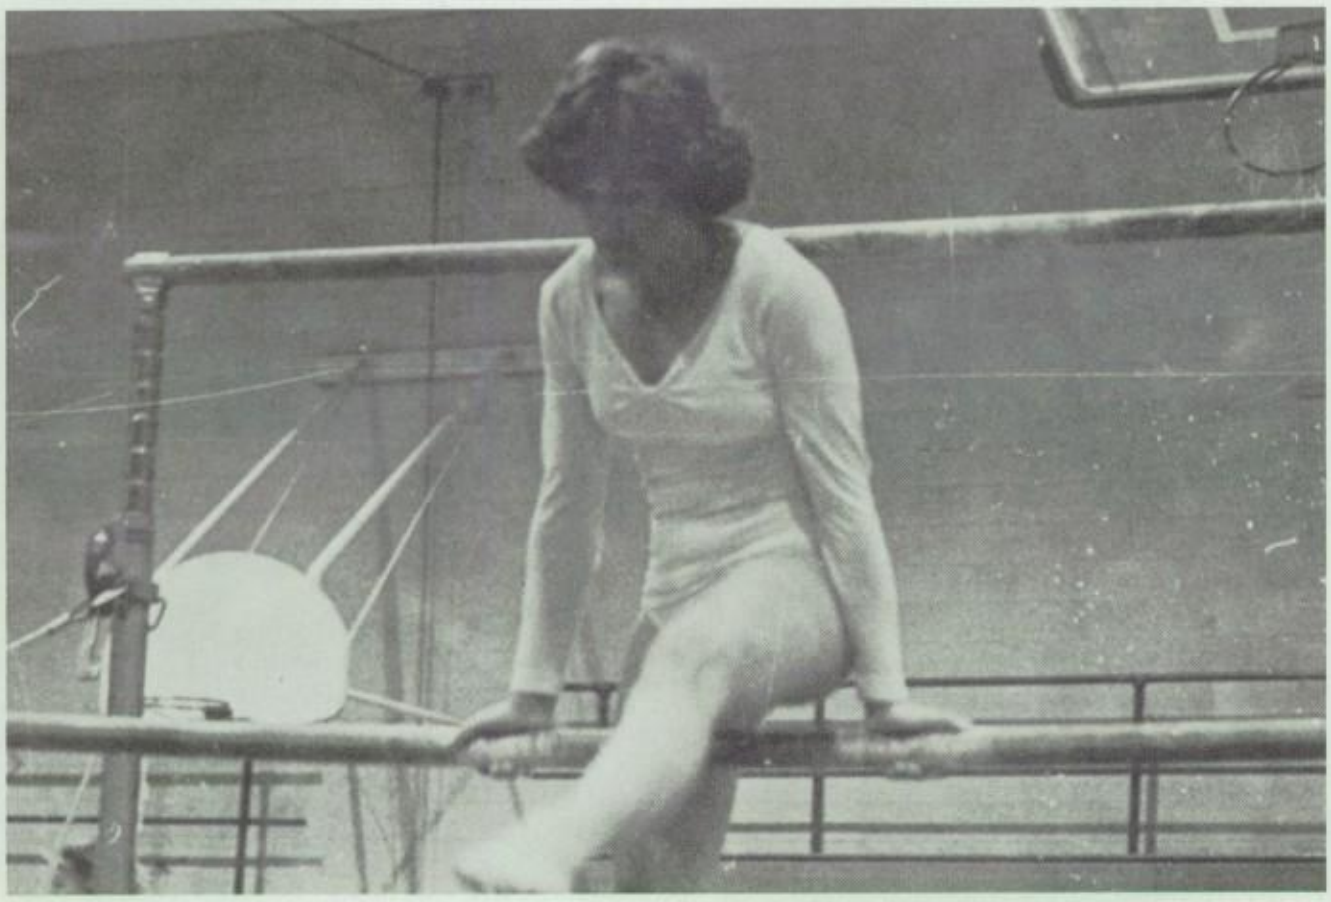
Gymnastics lacks experience



This year's Girls' Gymnastics Team had a good year with seven wins and three losses, placing fifth in City. Letty Gomogda was a valuable competitor placing second all-around in Districts. She will compete in the State Meet.

Junior Varsity Team placed first in City which will help next year's team along with the new freshmen coming in.

Returning letterwomen were Letty Gomogda, Christie Gallegos, Dawn Preston, June Russell and Debbie Schanhals. June Russell was chosen as most improved.

Next year's Varsity Team should do well with the Junior Varsity members moving up.

Boys' soccer ends 9 and 4

This year's soccer team had a terrific year. All players, old and new, did a great job. Some of Lincoln's best games were against North, George Washington, and Montbello. Even when losing to Kennedy, our greatest rivals, the team showed good sportsmanship. They ended the year with a 9-4 record.

The guys did great as a team but some individual players deserved a great amount of the credit. Scott Warburton scored the most goals this season with Pat Montgomery close behind. Tim Rummelhart had a well-deserved reputation for excellent slide tackles. Kenny Moore, a sophomore, turned out to be a good goalie with great potential for oncoming seasons. The team was rewarded for their hard work and expertise by lettering.

Top, l-r: J. Young, S. Coffelt, S. Curless, J. Hottman. Second row: T. Colburn, S. Vargas, G. Zickefoose, R. Dunlap, R. Ingram. Third row: F. Alberca, T. Rummelhart, K. Moore, Coach Montojo, D. Girls' volleyers end strong

This year's Girls' Volleyball Team started off at a slow pace having only one week to organize two teams, the Junior Varsity and the Varsity teams.

The Varsity Volleyball Team struggled with 4 wins and 9 losses. The lack of organization and teamwork seemed to hurt the team and it got them off to a slow start. But with hard work and team effort, they gradually developed their skills. They won their first game in Districts over Thomas Jefferson and then they lost to the number one team, North, 15-11, 15-12. They struggled through a hard season with Kathy Muhlhauser leading the team as captain. The Most Valuable Player was chosen as Laura Carpenter and the Most Improved Player was Kathy Schwindt.

The Junior Varsity Team developed good skills that will be of good use next year. Before each game a new Captain was designated by Coach Madrid. The Most Valuable Player was chosen by the team as Tracy Evans and the Most Improved Player was Cheryl Zentner. The Junior Varsity Team had a tough season but they pulled out 5 wins and 8 losses.

Even though the season was not a winning one, the teams ended with some well-developed skills. Coach Madrid looks forward to coaching the girls next year as she has seen some of the Junior Varsity girls develop into really good players. The Varsity Team displayed the ability to compete very well against the top teams in the league.

Top row, l-r: Coach Madrid, S. Gatewood, C. Mangels, K. Schwindt, K. Muhlhauser. Middle row: R. Mayoral, L. Carpenter, Manager, L. Fair. Front row: B. Lee, K. Duran, A. Messina, F. Herrera, R. Mulder.

Help, Mom; I'm stuck!

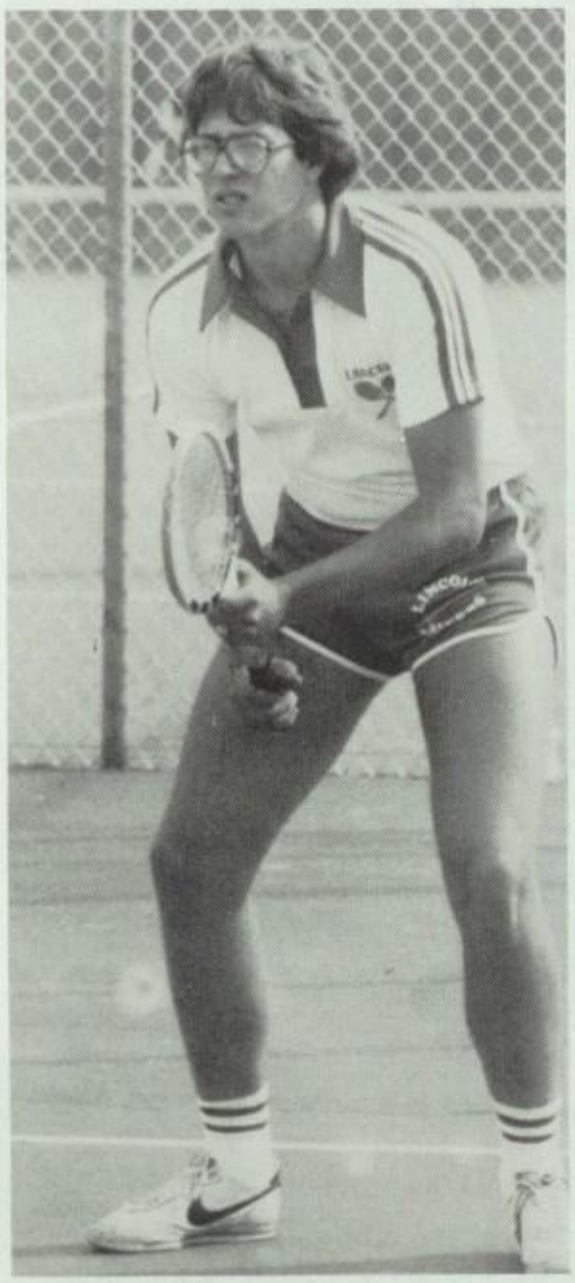
Cheryl Zentner kneels before the ball.

Laura Carpenter shows her style with good form.

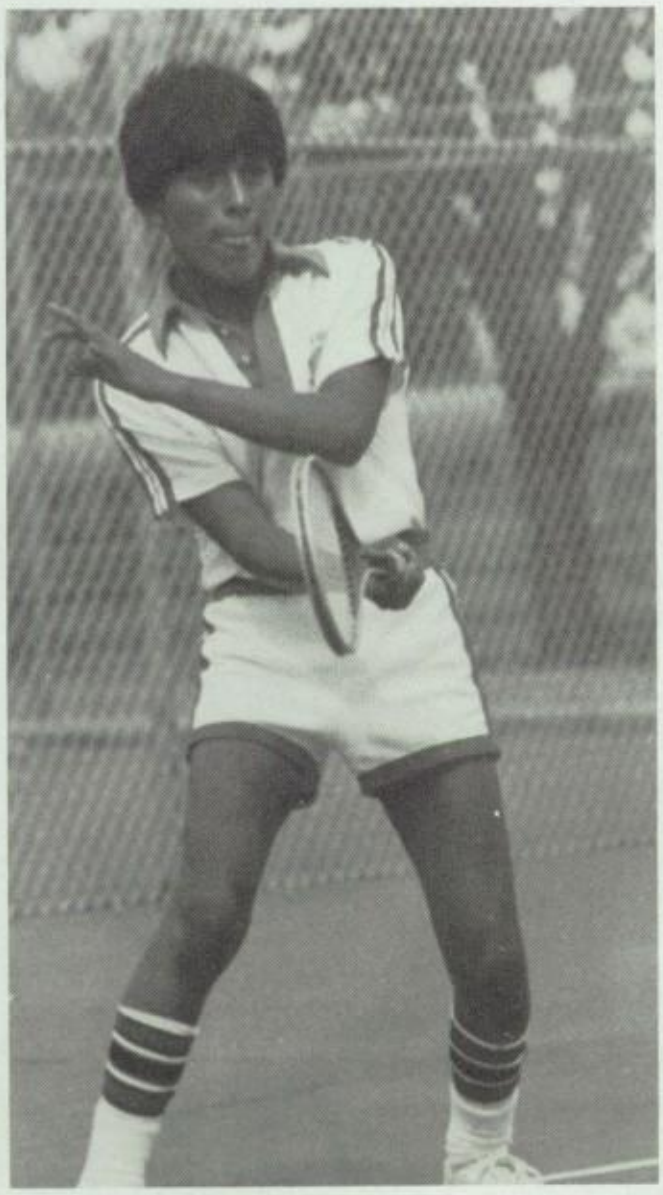
Tennis had its faults

This year's tennis team was made up of ten members. Three of them were returning lettermen. They were Steve Williams, Ho Nguyen, and Hon Bui. A few of the new members were seniors, so coach Janice Mansfield does not expect more than two of the members to return next year. There were only ten team members at the end of the year, although approximately twelve people went out for the team. One of them dropped out in the middle of the season which hurt the team. At the end of their season they came up with a record of six wins, one tie, and one loss. "We didn't do too badly for a team this size," said coach Mansfield, "although I hope to have a bigger team next year."

Top row, l-r: Williams, S.; Holley, D.; Miranda, E. Bottom row: Sisneros, D.; Bui, H.; Flores, J.; and coach Mansfield.

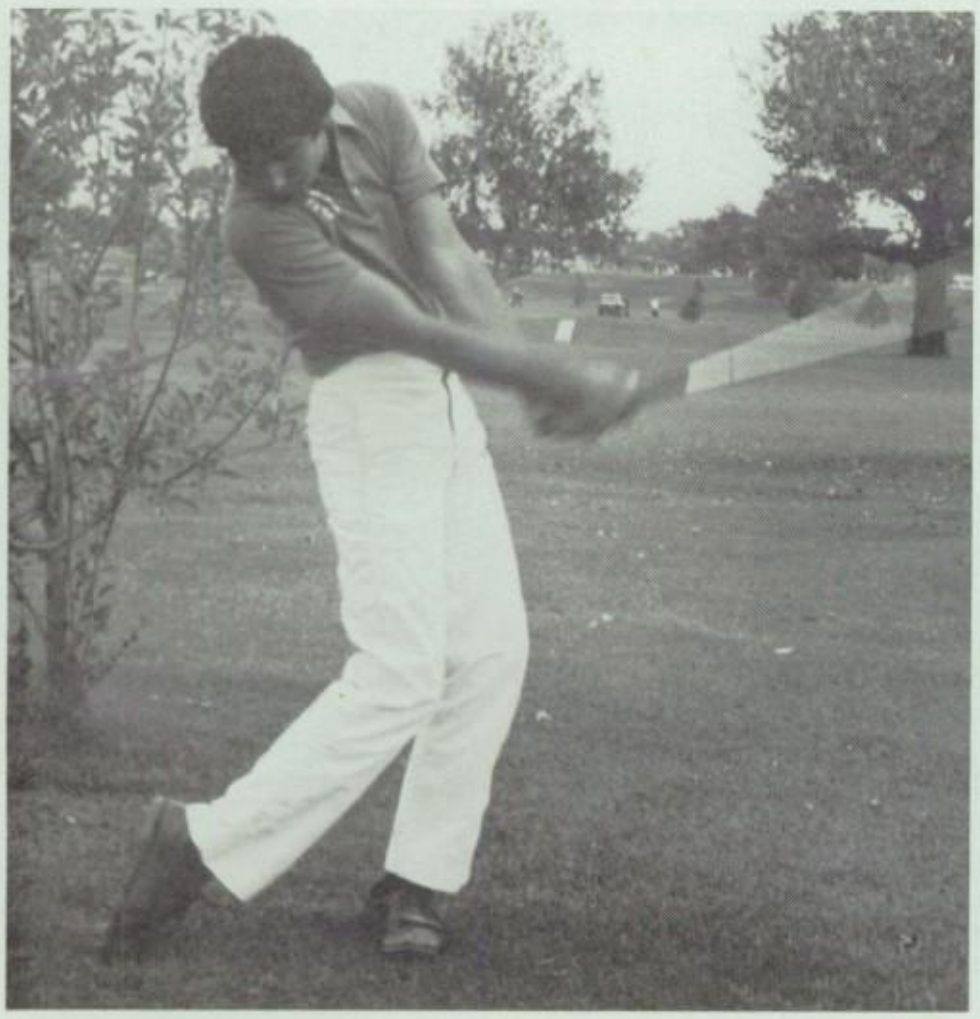


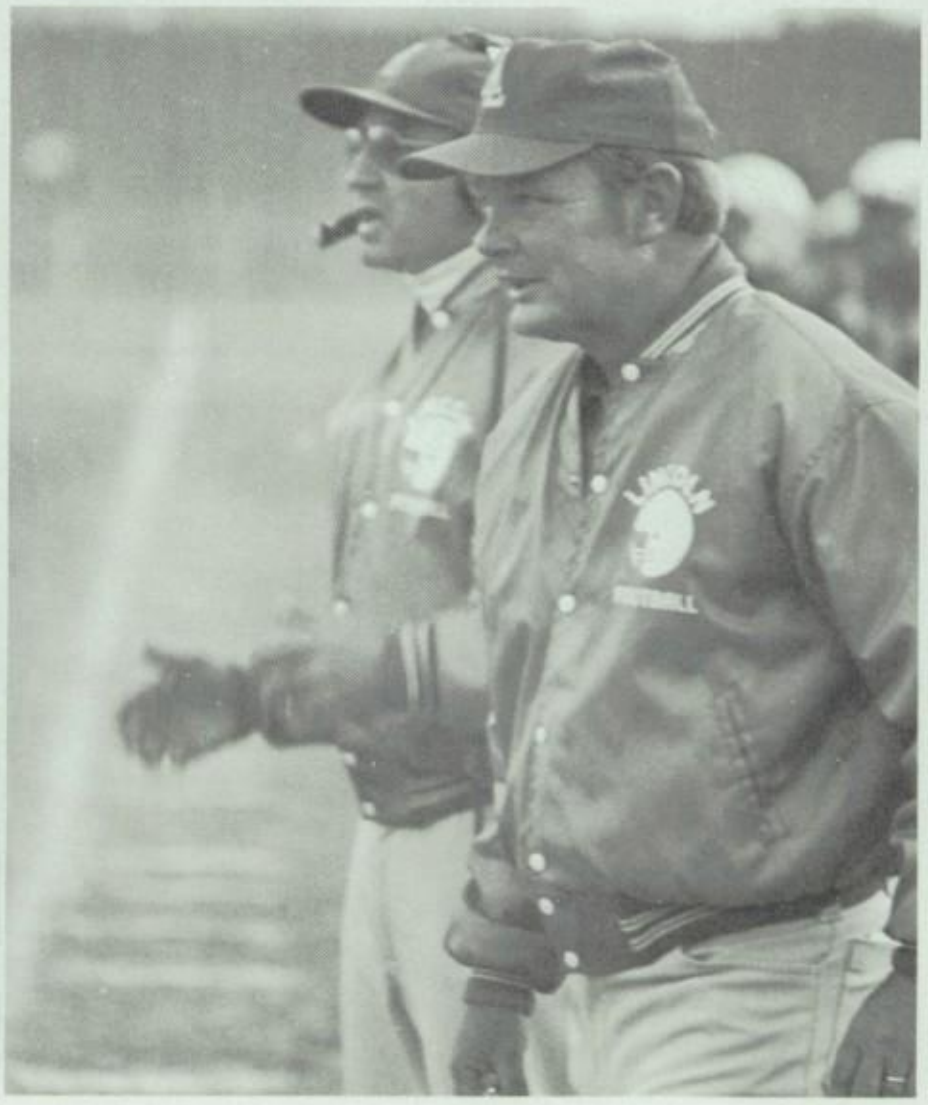
I'm ready.



Umph!!

Take that!





Girls' swimming

The girls' swim team had a successful season. They were led to their terrific 7-1 record by Coach Hartman. The loss was to East and they tied Kennedy at one meet. According to Coach Hartman the sophomores on the team show great potential for the next few years.

The team's best diver, Robin Grawl, took 9th in diving and as a sophomore will have a great chance to become number 1 next year. Another promising sophomore, Jill Ray, took three 1st places. This proved to be one of the best seasons for Lincoln's swim team, and with the hard working, devoted girls that represented Lincoln so well, next year will be even better!

Top, l-r: Coach Hartman, D. Standard, J. Ray, H. Smith, R. Marshall, C. Mulligan, K. Allens. Second row: R. Abbott, J. Hogan, M. Penny, J. Archuleta. Third row: T. Sanchez, C. Raun, L. Bonato, N. Ray, C. Ertle, L. Ertle, N. McGraw, C. Cambell.

Varsity Girls Battle Away

This year's Girls' Varsity Basketball Team proved to be talented and experienced. They had five returning letterwomen: Kathy Muhlhauser, Shelly Austin, Lisa DelToro, Sharon Gatewood, and Kathy Duran who all gave the team depth. There were many valuable players such as seniors Kathy Muhlhauser and Shelly Austin, juniors Lisa DelToro and Sharon Gatewood and sophomore Robin Graul. Most improved players were Sharon Gatewood and Robin Marshall.

This year's team seemed to have all the talent and quickness to play ball except that they came up short when it came to height. The tallest player was only 5'8". But the team still battled away and they usually came out on top.

Coach Blair expected them to be one of the top three teams in the D.P.L. They have a very good chance of going to state with Kathy Muhlhauser and Shelly Austin leading the team as captains.

Let go of my hand!

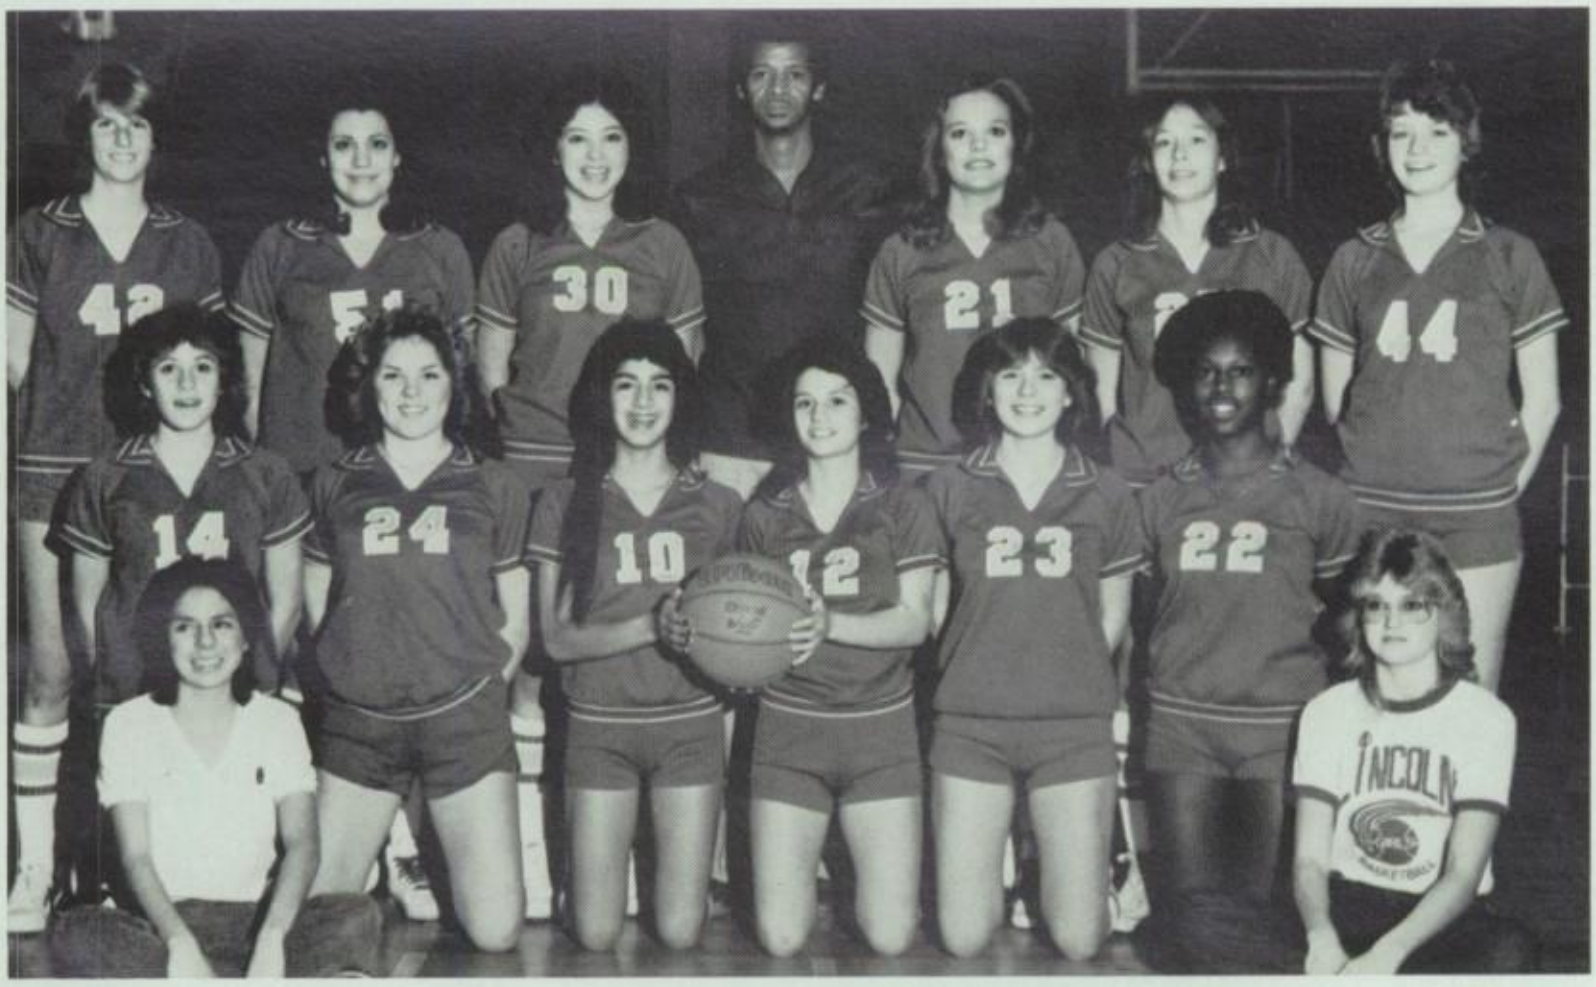
Help! I can't see the basket!

Top row, l-r: R. Graul, S. Lopez, G. Encinias, S. Gatewood, L. DelToro, L. Ertle, R. Marshall, S. Chavez. Front row: Manager C. Wilder, M. Sedillos, K. Muhlhauser, S. Austin, Coach Blair, T. Evans, L. Fair, K. Duran, Manager T. Parrott.

J.V. Girls Work Hard

The Junior Varsity Basketball Team this year seemed to be the strength for next year. There were many valuable players such as Sherri Chavez, Tracy Evans, Debbie Montano, Michelle Sedillos, Shirley Lopez, and Lee Moore who will be of good use next year. Most improved players were Jennifer Straight, Mary Nobles, and Frannie Goffinett.

The Junior Varsity Team were strong in defense and quickness but like the Varsity Girls' Team their weakness was height. Captains were chosen as Sherri Chavez and Frannie Goffinett. Coach Gresham expects the team to finish in the top three in the D.P.L.



Top row, l-r: D. Giffin, S. Chavez, S. Lopez, Coach Gresham, C. Ertle, L. Moore, J. Straight. Front row: K. Creason, T. Evans, D. Montano, M. Sedillos, F. Goffinett, M. Nobles.

Wrestlers have successful season.

Wrestling is a sport of not only strength and size but one of agility and quickness. The wrestlers who were strong and quick were usually successful in their efforts. And those who were successful in their efforts were this year's Lincoln wrestlers.

Replacing Coach Klune this year were Coach Les Mattocks and Coach Rich Porter. "This is one of the most outstanding wrestling teams Lincoln has ever had," commented Mr. Les Mattocks when asked about this year's Lancer Wrestling Team.

Leading the team this season were Matt Robinson (19-2), Rob Ingraham (18-2), Pat Hines (18-4), Mark Coven (16-4), Brian Willmarth (15-5), and Joe Delmonico (15-5). This year's team went to the City Tournament, did very well, and placed third in the tournament. This year's team had four wrestlers go to state. They were Joe Delmonico, Pat Hines, Rob Ingraham, and Matt Robinson.

Team captains chosen for this year's wrestllng season were Joe Delmonico, Pat Hines, and Matt Robinson.

Mr. Mattocks and Mr. Porter felt that the J.V. team have good potential and ability for a good season next year. The J.V. team had an extremely good season this year.

Coach Mattocks and Porter look ahead to another good season of wrestling next year.

Varsity finds it tough

This year's varsity team was made up of ten players; five of them were returning lettermen. Coach Hornecker stated that he had a tough ball club although they did not have good shooting abilities. The team had a strong defense and had excellent play from guards Hugo Asbeck and Bobby Chavez.

This year's varsity team went all out on every game. However, the team went through hot and cold streaks. Their record at the end of the first round was two wins and seven losses. Though they did not win many games their fans stood behind them all the way. Coach Hornecker hopes to have a strong defensive team once again next year but also a good scoring team.

The Junior Varsity Basketball Team is a group of players who did not have enough experience to play on the Varsity Team. This year's team had good potential but their inexperience showed through. At the time of this writing their record was 6 wins and 11 losses. This was Coach John Verone's first year. The team struggled through the season and hopefully gained the experience to aid next year's Varsity Team.

Swimmers turn in good effort

The Boys' Swim Team had a very good season this year. Coach Hartman is very pleased with his team's effort. The Swim Team this year consisted mostly of seniors; however, the juniors and sophomores on the team certainly deserved a large amount of recognition. One sophomore in particular was mentioned by Coach Hartman as the most improved swimmer. This was Bill Inama.

Although there were no real captains of the Swim Team, Coach Hartman said many of the guys looked up to Dave Billinger, Mike Jones and John Carter as their team leaders. Dave Billinger was Lincoln's number one diver. Coach Hartman said Dave would definitely win second place at the state meet. His teammates, however, said he'd have no trouble taking first. Mike Jones was another valuable swimmer. Coach Hartman said not only was he Lincoln's most valuable swimmer but that he was also the quickest swimmer in the state. Some of Mike's excellent times were in the 200 yd. freestyle (1:55.8) and the 100 yd. freestyle (52.3). With these records, Mike had no trouble representing Lincoln at the state meet.

Overall, Lincoln did very well. In the High School Invitational State Meet, Lincoln beat 14 of 29 participating schools. Scores from other meets were

Lincoln	146	Montbello	15
	South 53		
Lincoln	89	East	72
Lincoln	94	Manual	77
Lincoln	75	Kennedy	90

Advanced photographers assist yearbook

Always on the prowl to turn up new sources of good pictures, the PRESIDENT this year tried out a new program utilizing the many photographic talents in Mr. Jones's advanced photography classes. Yearbook is happy to announce that the program has worked well for us (witness some of the many excellent sports and candid shots in the book) and for the advanced shutterbugs whose assignments were a little more meaningful because of the possibility of publication.

Pictured here are the photographers who participated. Our thanks to them.

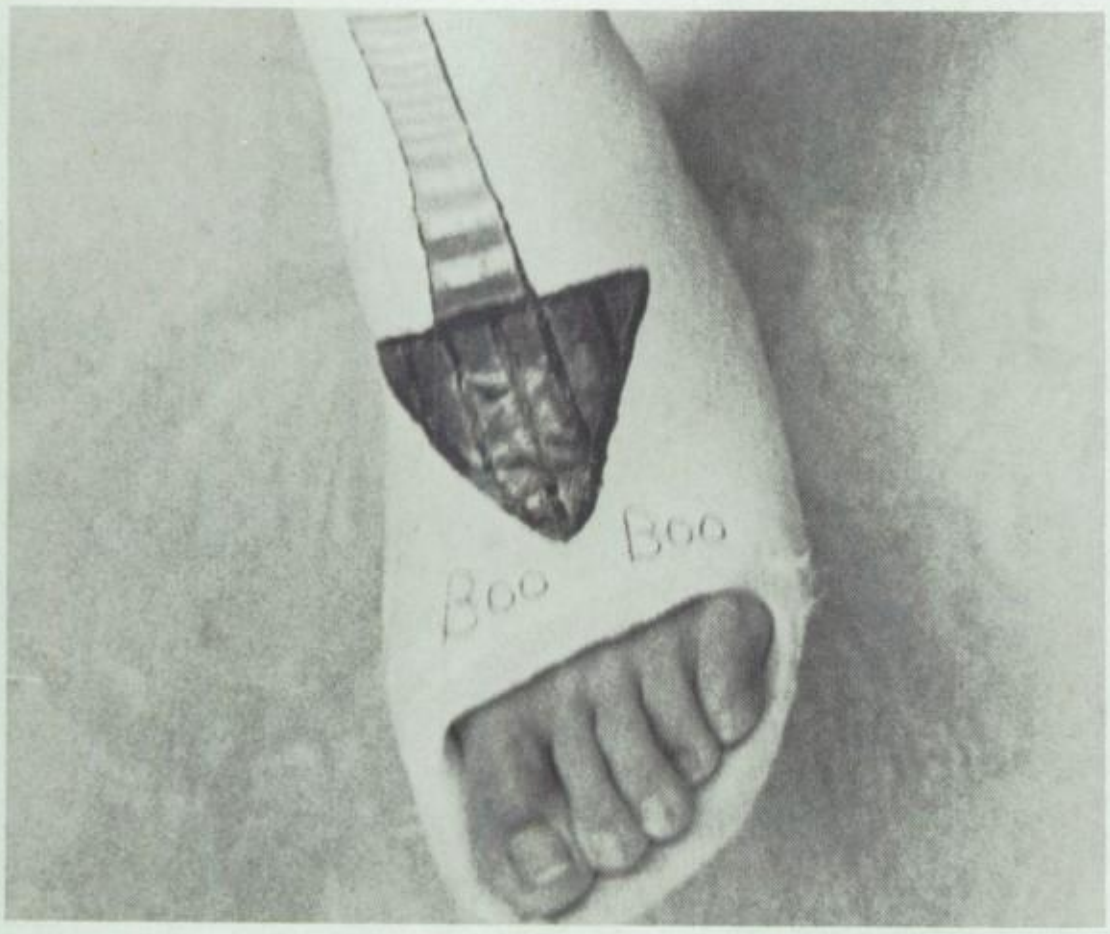
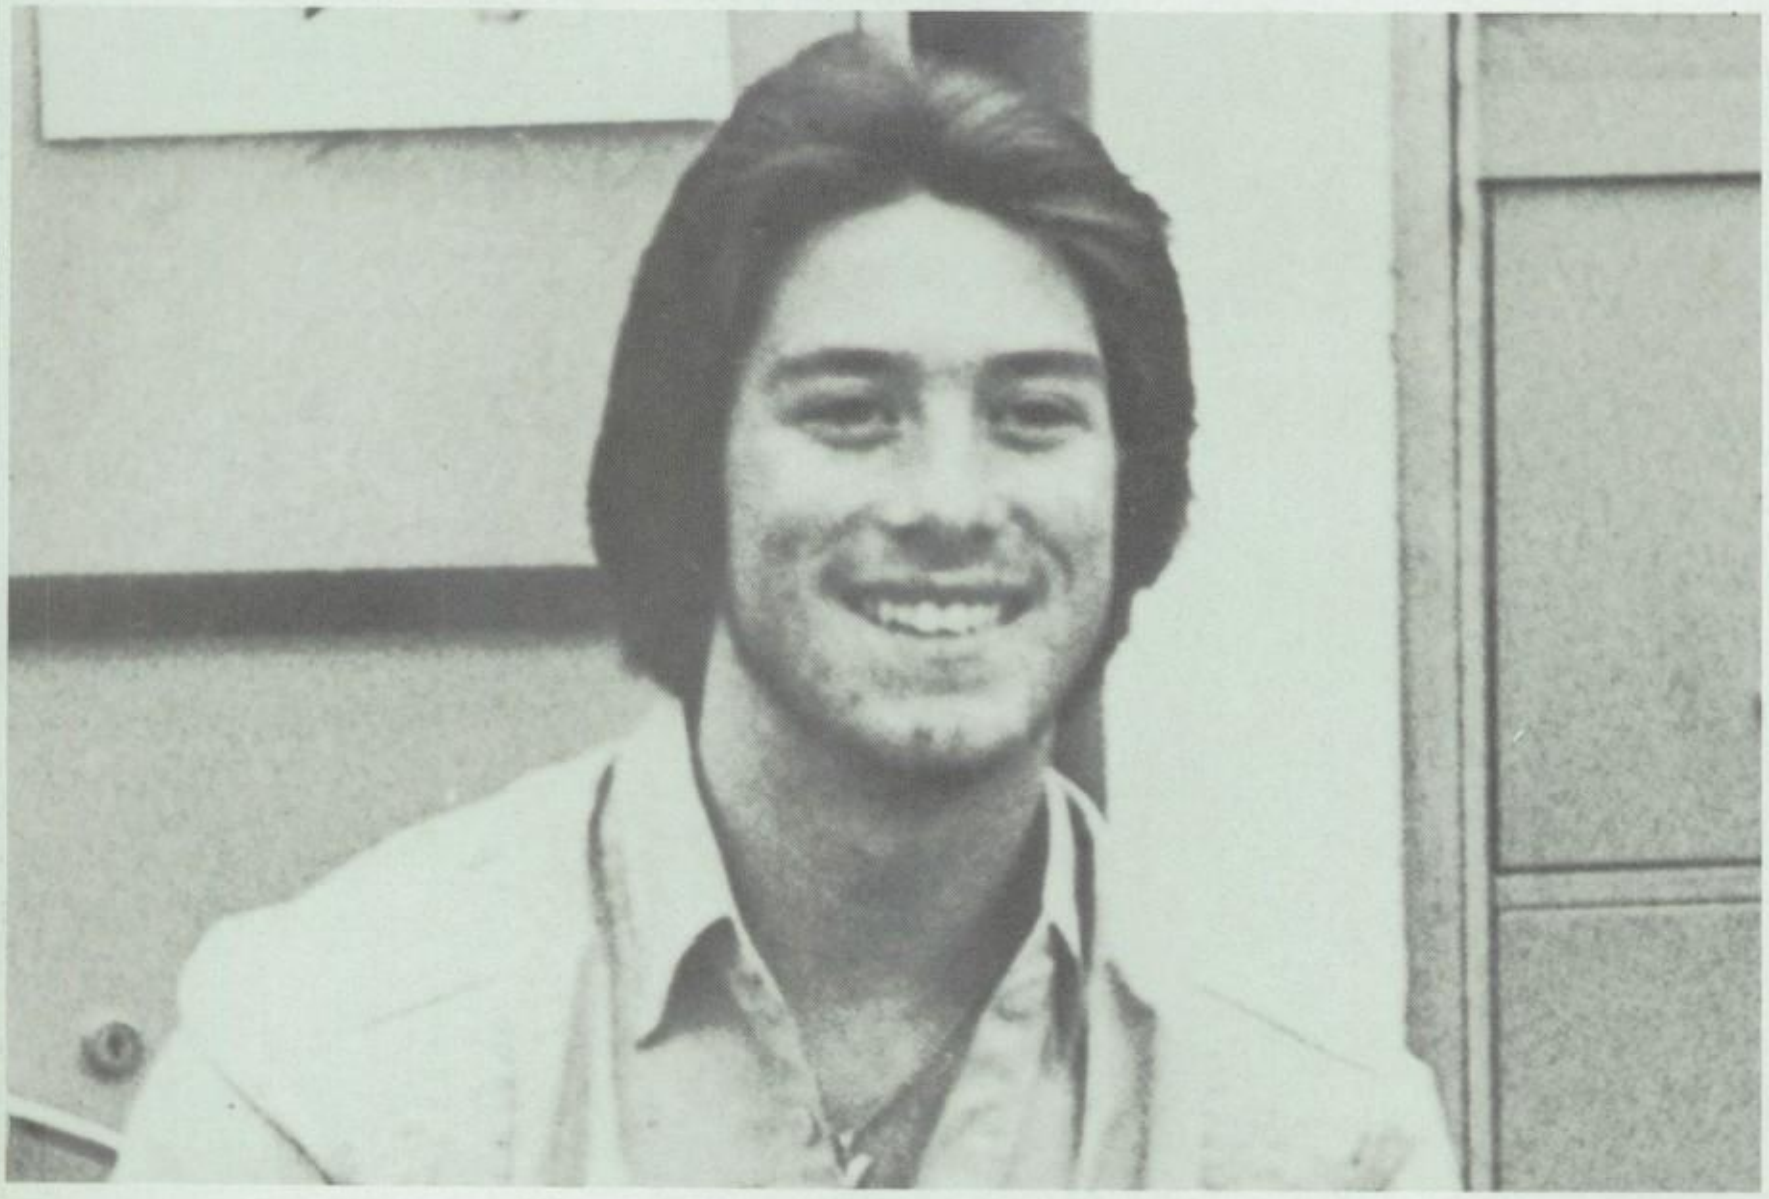
SPRING . . .





. . . WHERE DO WE GO FROM HERE?

Varsity Show Their Style

When asked about this year's Lancer Varsity Baseball Team, Coach Pat Haggerty commented: "If we can keep from beating ourselves, we can be tough." He expected this year's varsity team to have a good season if the pitching came through. He felt the team had fair ability and faced a promising season.

The nine players that returned from last year's team were Hugo Asbeck, Craig Bonato, Bobby Chavez, Jim Chesley, Steve Ciberay, Mike Mercier, Rick Reno, Tony Urban, and Jody Young. Mr. Haggerty felt T. J., Kennedy, and West should again be Lincoln's chief opponents.

At this writing, the Lancer Varsity Baseball Team had played their first game of the season. The opponents were the Manual Varsity Baseball Team. The result was a victory with a score of 6 to 1.

BACK ROW, l-r: Tony Urban, Tony Delmonico, Craig Bonato, Jody Young. SECOND ROW: Steve Ciberay, Mike Mercier, Coach Haggerty, Hugo Asbeck, Jim Chesley. THIRD ROW: Larry Arellano, Brent Thimyan, Rick Reno, Rick Bonato, Bobby Chavez, David Trujillo, Dave Taylor. FRONT ROW: Dale Trujillo.

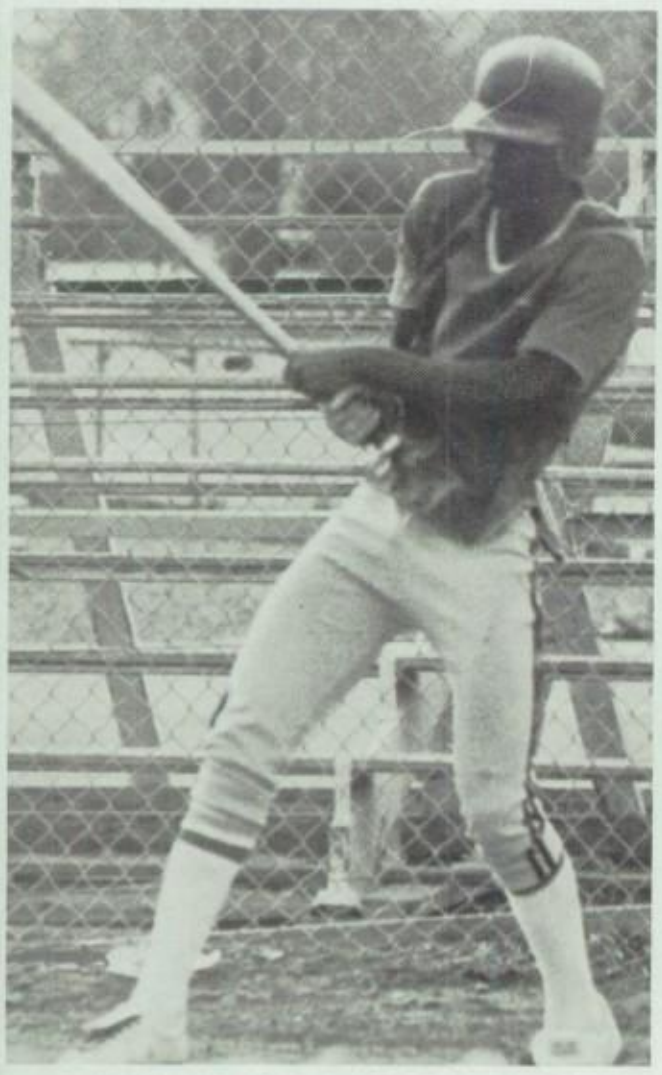
BACK ROW (l-r): Coach J. Girtin, John Reefe, Steph Schoenberger, Mike Torsney, Robert Reyes, Randy Floyd, and Manager Loretta Hutchings. FRONT ROW: Steve St. Laurent, Don Anderson, Gene Devine, Robert Olsen, and Mike Lopez. Missing from this year's team picture were Larry Thomas, Tony McKenzie, and Paul Duran.

At this writing, the Lincoln J.V. Baseball Team had played their first game of the season. Their opponents were the J.V. team from Manual High School. The result of the game was a victory for the Lancer J.V. Baseball Team. The final score was 12 to 10.

When asked about this year's team, Coach Jack Girtin commented: "We have a history of having good baseball teams here at Lincoln, and this one will be one of them." He felt that this year's J.V. Baseball Team had good ability and would have a successful season.

Outstanding players for the J.V. Baseball Team this year were Tony McKenzie, Robert Reyes, and Mike Torsney. Mr. Girtin felt that T. J., Kennedy, and George Washington would be this year's tough competition for the J.V. team.



Don Anderson shows correct batting form.

Girls' Track On The Run

Last year's Girls' Track Team had many outstanding competitors and placed second in City. Lincoln held three records in City set by Leann Grundeman in the 800 meter run (2.23.92), the 1600 meter (5:12.57), and the 3200 meter run (12:13.85). Valuable runners were Lisa Fair, Margaret Besse, Decole Russell, Sharon Gatewood, Kathy Muhlhauser, and Shelly Austin.

This year's team should do well with all of the valuable runners of last year returning. Returning letterwomen were Lisa Fair, Margaret Besse, Decole Russell, Sharon Gatewood, Kathy Muhlhauser, Shelly Austin, Barbara Geist, Diana Herrera, and Kathy Duran.

There were many talented sophomores who all added depth to the team, and they had the same 400 meter relay teams which were the strengths of this year. But they still needed distance runners and discus throwers.

Coach Gresham stated that next year will be a rebuilding year and hoped to pick up some average runners out of the ninth and tenth graders.

Tennis Has A Smashing Season

This year's Tennis Team was coached by Ms. Wilson, who took Mrs. Mansfield's place for this season. She hopes to return next season. Although it was Ms. Wilson's first time coaching the team, they were well organized and had a good season. Everyone on the team was a returning player, except for 3 girls.

The team had experience and put it to good work. Playing number 1 singles was Cheryl Driesbach, number 2 was Barbara Lee, and number 3 was Tammy Main. The number 1 doubles were Carrie Mangles and Chris Peterson. Number 2 doubles were Liane Sedillos and Cecilia Valdez. Number 3 doubles were Theresa Sanchez and Nicki Lanzi. The rest of the players were on Junior Varsity. Ms. Wilson was pleased with the final outcome of the team.

Varsity Soccer Kicks With Stamina

This year's Girls' Soccer Team was aiming for even more success than they had last year. Last year the girls' soccer season ended taking their second consecutive league championship, and they took third place in the State tournament.

There were four outstanding returning seniors: Diane Standard, Francine Herrera, and all state players, Joni Popish and Sue Mulder. Returning juniors included Vicky Matthews, Debbie Childs, Rachel Mulder, Annette Messina, and Jo Zan Gonzales. Coach Montojo and the players were very optimistic about this year's season.

"Potentially the team can be very strong if sophomores come through," commented Coach Montojo. The team was a young one this season as they started with four to five sophomores. Leadership came from seniors Joni Popish, and Sue Mulder. Offense was led by Sue Mulder; midfield, by Francine Herrera; and defense, by Joni Popish. The coach was looking for sophomore Debbie Griffin to come on strong in the goal. At the beginning of the season the coach looked for the team to be contenders for another League Championship.

Promising sophomores were Robin Graul, Missy Wright, Tracy Evans, Martha Penny and Debbie Griffin. Strong competition came from Kennedy, Manual, and East.

Back row, left to right: Coach Montojo, Tracy Evans, Robin Graul, Diane Standard, Susan Mulder, Kris McVicker, Rachel Mulder. This year's Girls' J.V. Soccer Team was a young one starting with ten sophomores and two juniors. Sophomores included Sharon Walker, Paula Messina, Susan Hohn, Kris McVicker, Twila Martinez, Michelle Sedillos, Pam Rounds, Lisa Herrera, Debbie Montona, Brenda Martinez. Juniors included Sandy Stanley and Bonnie Nieman.

The soccer season consisted of ten league games, one non-league game with Arapahoe (Lincoln lost 5-1) and two scrimmage games with Cherry Creek and Heritage.

Strong players included Kris McVicker and Michelle Sedillos, both sophomores who played for both J.V. and Varsity teams.

Boys' Track Looks Good

This year's Boys' Track Team had many of the same strengths and weaknesses as last year's. The lack of sprint speed and middle distance still remained, but with 18 newcomers, Coach Hessel felt that they had a strong foundation for next year in these events. Distance, hurdles, pole vault, and discus were the strong events this year.

This year's team only had 30 members with 12 returning lettermen who were juniors James Archuleta and Paul Coronado, and seniors Tom Burgesser, Mike Heim, Brad Hjelm, Doug Huner, Steve LaMunyon, Carl Nikkel, Kevin Owens, John Silva, Daryel Thompson, and Cameron Stryker.

Valuable members of the team were Daryel Thompson on hurdles, and sophomore Ted Arellano in distance. Paul Coronado on pole vault, Tom Burgesser on discus, and Daryel Thompson on hurdles were expected to add strength to this year's team.

Coach Hessel was also excited about the addition of ninth graders next year and hoped to work with their P.E. teachers in finding the talent and encouraging these young men to start a track program.

Back row, l-r: R. Dickerson, D. Thompson, C. Stryker, T. Burgesser, M. Heim, K. Owens, B. Hjelm. Second row: Coach Hessel, M. Ryan, R. Fink, C. Nikkel, J. Archuleta, E. Marquez, B. Coronado, Asst. Homecoming Queen Becky Dickerson and Joe Delmonico

Homecoming 1981

This year's Homecoming started off with a week of special activities that proved we were proud to be Lincoln Lancers. It included the traditional decorating of the halls and different dress-up days and ended with a pep rally that really showed our Lancer spirit.

On October 23, enthusiasm rose as the Lancers took the field to meet the Washington Patriots. The game ended in a 13-7 loss for the Lancers but it never hindered our faithful spirit. The Homecoming game was highlighted by a halftime show whose theme was that of the popular comic strip "Lil Abner." It was superbly executed by Lincoln's band, cheerleaders, pep club and some of the actors and actresses in the play of the same name.

The week ended with a romantic touch at the Homecoming dance that was held in the Lincoln gym from 8 p.m. to 11 p.m. The gym was decorated in fall colors. A local D.J. provided the music. Later in the evening, Joe Delmonico and Becky Dickerson were crowned King and Queen. Tom Burgesser and Leslie Bonato were first attendants, Scott Warburton and Lettie Gomogda were second attendants, and Cameron Stryker and Margaret Besse were third attendants.

Lincoln High School's annual Birthday Ball, held in honor of Abraham Lincoln, was cancelled because of a lack of spirit. The guests to be honored at the dance were club sponsors. Student Senate plans to change the dance next year to arouse more interest.

This year's First Lady was Susan Mulder and President, Larry Arrellano. Senior couple was Ann Farnan and Daryel Thompson. Cheryl Driesbach and Paul Coronado were the Junior couple. The Sophomore couple was Missy Wright and Tony Delmonico.

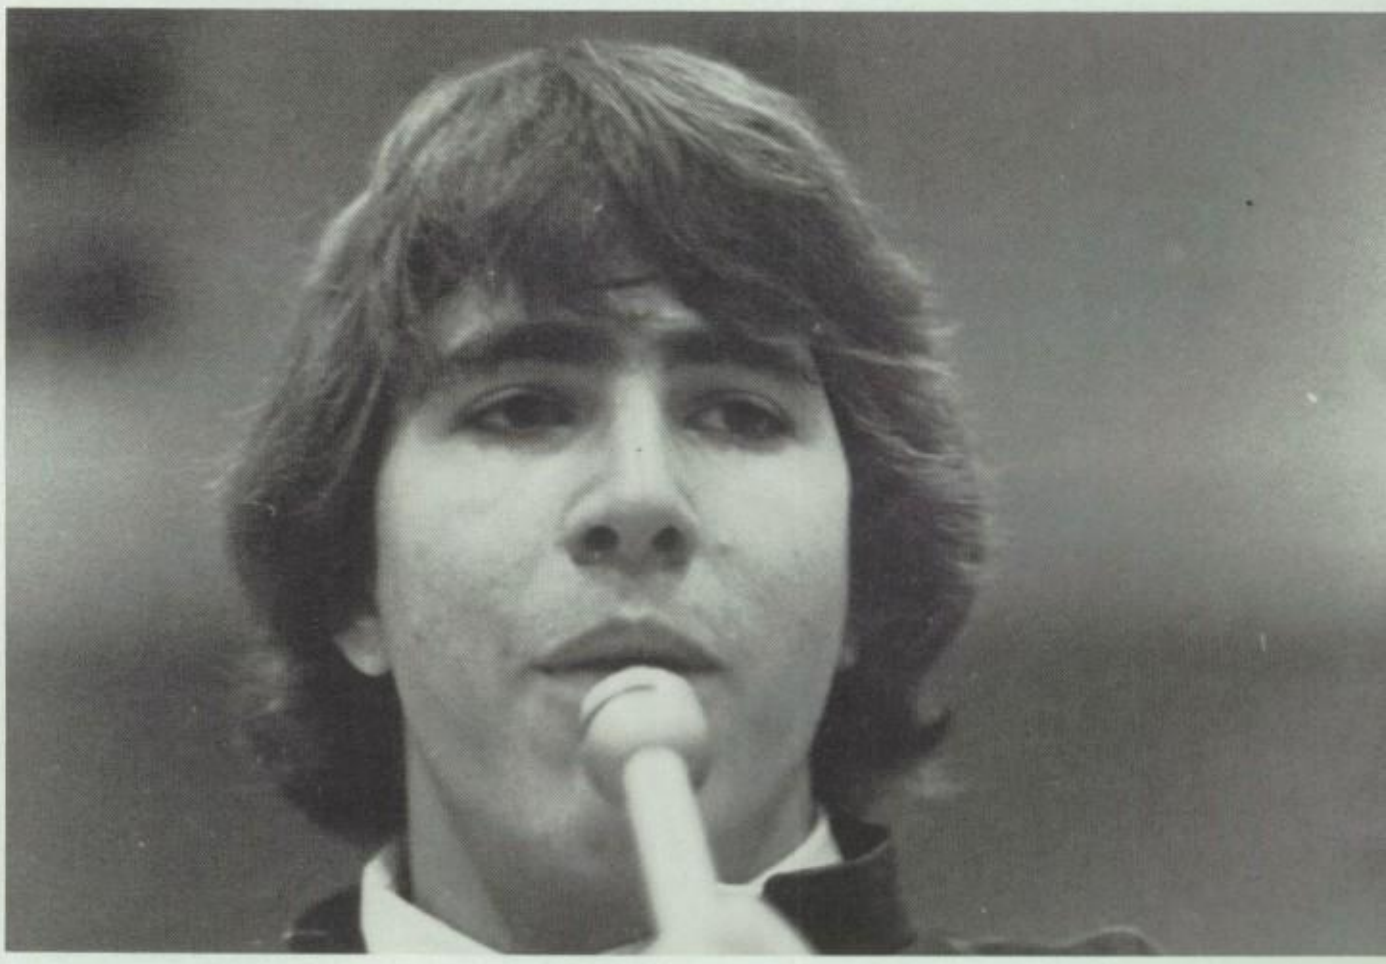
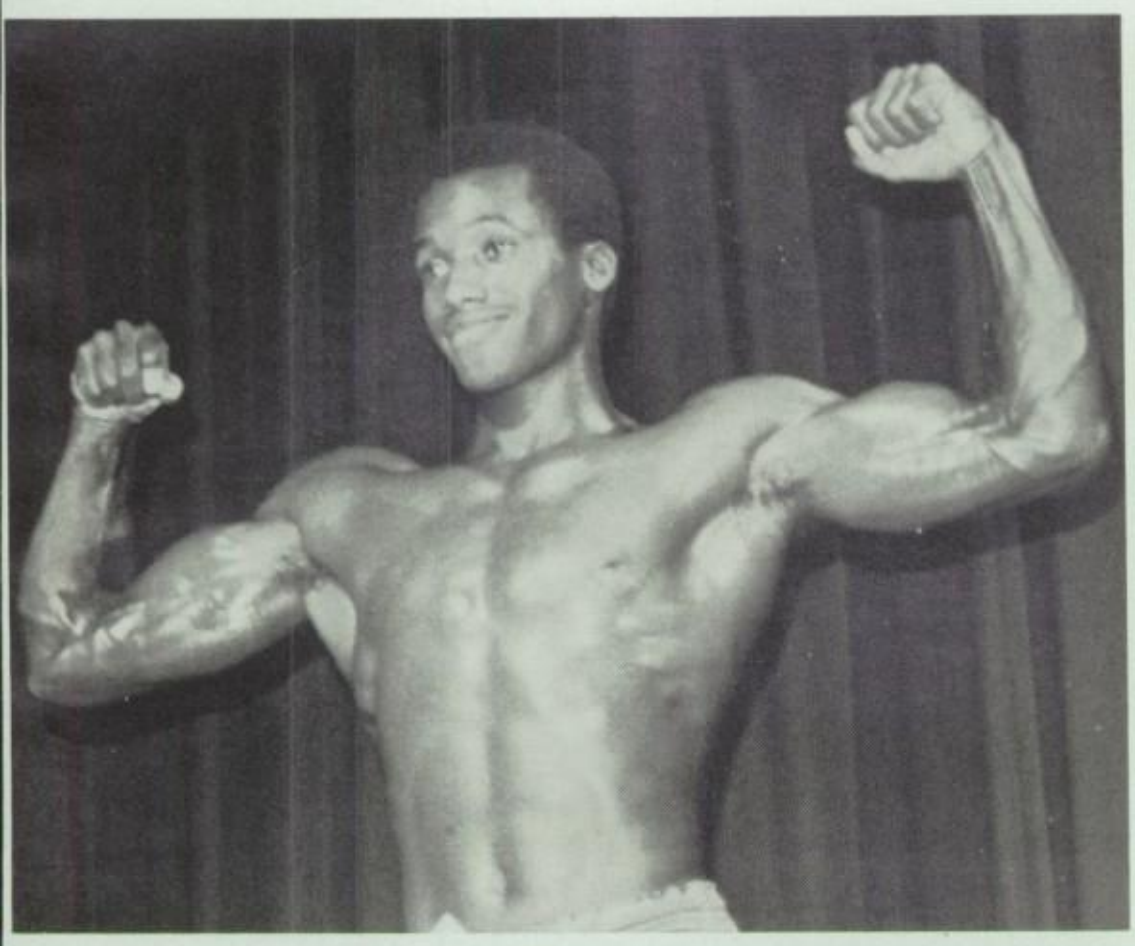
CLUBS





AND ACTIVITIES

The President's staff meets deadlines

Deadlines, deadlines, deadlines! The yearbook staff struggled to meet those deadlines. It all started with the color deadline in the fall. The cover information, the end sheet information, and the lettering information all had to be decided by the first deadline. Then came the December deadline when the fall sports had to ready to be sent in. There was even a Christmas rush when the "mugs" were due. January's deadline included all of the clubs and activities. The book was almost complete except for the final deadline in March when everything had to be ready. It wasn't easy, but the book was in on time.

These are the people who did it: editor, Jim Monson; associate editor, Vicki Valdez; sports editor, Liane Sedillos; clubs editor, Susan Mulder; drama editor, Connie Tomsic; and royalty editor, Denise Hoyt. Other staffers who gave a lot of their time were Patty Woessner, Nick Scheidegger, Danny Sisneros, Renee Rivera, Kathy Okamatsu, Lisa Orton, Andrea Lewis, Barbara Lee, Gina Smith, Kim Kirksey, Kris Peterson, and of course, Mr. Valentine. Photographers were Tina Cole, Mike Stephens, and Ed Marquez.

Lincoln Log - Best Yet

Mrs. Francis Toepfer, sponsor

The Lincoln Log staff worked hard this year to inform fellow Lancers on important issues. This year's two dedicated editors-in-chief were Susan Larison, and Wendy Nowacki.

Staff members must take a minimum of one semester in journalism and must receive teacher approval. Staff members must also be seriously committed to the task of producing a paper. It involves many long, hard hours and a dedication to raising the awareness of Lincoln's students.

Many awards have been given to the Lincoln Log for the fine work of the staff. The Lincoln Log is an award winning member of the Colorado High School Press Association. The Log is also a member of the Quill and Scroll. The Quill and Scroll is an international society for high school journalists. On November 8th, of this year, the Lincoln Log staff celebrated their 20th anniversary with Quill and Scroll.

Ace of Clubs works hard.

Ace of Clubs is a federally funded organization. It was designed to give the Special Education students a chance to participate in a club at Lincoln.

Many of the activities the Ace of Clubs was involved in were candy sales, skiing trips and various excursions to job sites for "on-the-job" work observation. The members of Ace of Clubs also had the opportunity to experience some fine restaurant dining throughout the Denver Area.

Lincoln is the only Denver school with a program that has a club of this type. This year's sponsor was Mr. Villarreal.

The sponsor is Art Wilson, a first degree black-belt. He is assisted by Martin Deffenbaugh, a second degree black-belt, who graduated from Lincoln in 1975.

Several activities are held each year, including a demonstration put on by several black-belts and competition fighting with other Karate Schools. The club was first started in 1973.

Student Senate leads Lancers

Student Senate is a group of representatives elected by popular vote. They meet everyday, fifth hour with their new sponsor Mr. Hornecker. They planned activities such as, Howdy Dance for sophomores, pep assemblies to boost school spirit, Operation Cheer which helped children who were not so fortunate by giving them presents for Christmas. Other activities they sponsored were Blood Bank, Birthday Ball, and the Halloween costume contest.

The group consisted of head boy, Jerome Trujillo; head girl, Ann Farnan; social activities chairman, Kathy Mulhauser; and political actions chairman, Brenda Gillespie along with class presidents and 5 senators from each class.

Sophomore class council makes plans

This year's class council got off to a slow start. Although the council seemed capable, they did not accomplish as much as they would have liked to. One topic the council talked about was class rings. It was decided that Balfour would be the company offering the sophomore rings this year. This was all decided by a special ring committee which included Steve Overlay, Frannie Goffinett, Pam Rosas, Derek Clark and Martha Penny. Hopefully many sophomores bought theirs this year and saved money as the prices of rings climb higher each year.

One goal that the council had for this year was to get all the sophomore class dues collected.

Junior Class going strong.

The Junior Class Council met every Tuesday morning at 7:00 in the lunchroom. At these meetings they planned activities to help them raise money for their most important year — Senior Year.

The Junior Class sponsored the Howdy Dance September 18, and the pep assembly on September 11. All the money made from dances and other fund raising activities went toward the senior luncheon and senior prom. The class goal is to try to improve the relationship among students and teachers but most importantly to promote school spirit. The class sponsor was Mr. Ben Dreith.

Senior Class looks toward future

Senior class council met faithfully every Tuesday morning at 7:00 a. m. Even though half asleep, they still accomplished their goals. Their year started off with a breakfast at the Village Inn Pancake House with the administrative staff from Abraham Lincoln, Mr. Pfeifer, Mrs. Sherbon, Mr. Mansfield, and the class sponsor, Mr. Ingle.

Other activities included selling Lancer t-shirts and participating in hall decorations, in which the seniors came in 2nd place. Plans are being made to hold a senior picnic in the spring at Elitch Gardens.

Offficers for the year were president, Teri Palmer; vice president, Rob Oswald; secretary, Susan Larison; and treasurer, Susan Mulder.

Charm school graduates.

Was it really that funny?

ROTC marches on.

"Desire, Dedication and Determination" is the motto which the Reserve Officer Training Corps at Lincoln High School strives to uphold. ROTC teaches each of its cadets leadership skills and instills in them a feeling of self-confidence and pride. ROTC also provides training in basic military skills and tactics. This knowledge can be useful should a cadet decide to join the armed forces.

The members of ROTC perform community activities. Last Christmas they caroled at Charm Cove Senior Citizens Home. The group also participated in many competitions with other teams. This year, inspite of their effort, the Girls' Rifle Team was defeated 9 times and had no wins. This placed them tenth in the city competition. The girls on the team were Michelle Walker (team captain), Cindy Kloek, Rae Abbott, Jackie Hoehn, and Troy Howard.

The Boys Rifle Team had a fair year. They won 4 of the 9 rifle matches. Under their team captain, Paul Combest, Fulgencio Lopez, Tom Stark, Steve Shea, and Albert Ulibarri placed eighth in the city competition.

In November, ROTC participated in the Brigade Inspection and also took part in the annual formal inspection, which was scheduled in March.

National Honor Society serves with pride

The National Honor Society is an organization that recognizes and rewards top students of the nation. Required to enter the society are leadership, scholarship, service and character. Members possess high grade point averages and rank high in their classes. They display cheerful attitudes and willingness to help other students.

To be considered for induction into the society, a student must be nominated by teachers on the basis of character, leadership and academic ability. Senior nominees must have a 3.5 grade point average, and juniors are required to have a grade point average of 3.7 or higher. A committee of teachers makes the final decisions.

The Lincoln division of the society took on a new sponsor with Mr. Carl Lee and was co-sponsored by Miss Carol Kucera. Officers this year were Nancy Ray, president; Patty Woessner, vice president; Linda Tateoka, secretary; Jill Griffin, treasurer. The Executive Council members were Laura Gibson, Terri Buscherof, Teresa Giffin and Susan Mulder.

NHS members actively took part in both registrations and helped with the two college nights. Members were also involved with Back to School Night and other community events. To raise money, the society sold candy and, along with the Forensic League, spice racks.

Quill and Scroll makes a comeback.

Quill and Scroll is a club in Lincoln High which offers journalists the chance to develop their creative abilities in writing. Although this group has had difficulty in establishing an active organization in recent years, this year's club felt it made positive strides.

Encouraged by their sponsor, Mrs. Toepfer, the group worked towards expanding their creative abilities by striving to publish their poetry, short stories, and sketches.

In order for these journalists to gain acceptance into this national honorary club, they are required to have had a previous work of theirs published.

In future years, it is hoped by members that Lincoln's chapter of Quill and Scroll will remain active.

Pep Club has a rough year

This year's Pep Club consisted of seventy-eight members and eighteen cheerleaders. Unfortunately, there was a small turnout of club members at most athletic events. Those who did attend the games did their best to cheer on our Lancers.

Pep Club participated in a pep assembly for Homecoming in the Lincoln gym as well as in the half-time show at the Homecoming football game.

Next year, Mrs. Palmeri, Pep Club sponsor, hopes to have a more successful year. A larger percentage of club members, willing to support Lincoln's athletic teams, will be needed as well as members willing to get involved and show great Lancer spirit.

Cheerleaders still cheery.

The cheerleaders this year like any other year kept a busy schedule. Cheering at games and meets was not all they did; they had tons of other things to do. They practiced all summer long to get ready for the school year and the cheerleading competition at Cinderella City. They also attended a cheerleading camp during the summer. Their first big event was homecoming, in which they prepared the half-time show and decorated the lunchroom for the dance. Beat tags were their biggest fund raiser this year. These were only a few of the things they had planned. Through the good times and the bad, they still kept a cheerful attitude.

Contemporary Issues Forum keeps students informed

The Contemporary Issues Forum, sponsored by Miss Carol Kucera, is a group of students who are interested in current political, social, and economic problems. The group is open to all interested students.

This year the students were especially interested in the stock market, economics, legislature, and government. To learn more about these situations, the forum had speakers come and talk on different subjects. They also took a field trip to see how the legislature works. The students were also interested in the crisis in Poland and dedicated one of their meetings to the discussion of this topic.

The officers for CIF were Wendy Nowacki, president; Susan Larison, vice-president; and Linda Tateoka, secretary.

Delegate Assembly gets busy

Two members work hard.

Lincoln's Delegate Assembly is a group of students who get together to improve communications between the student body and student government. One student is picked from each third hour class to represent the room. The Assembly met every other Wednesday in the community room.

The agenda and business of the Assembly are initiated by the students themselves. This year the Assembly planned a series of meetings in the spring. At the time of this writing, a meeting was planned for Wednesday, February 24 to discuss the repainting of the building. The students focused mainly on painting the gym and some of the hallways.

The sponsor was Mr. Haggarty.

Podners have a successful year

This year the Black Student Alliance club, also called "Podners," started a new tradition of holding a dinner at the beginning of the year to discuss the club's activities for the year. This year's annual disco dance was a big success. This year they also sponsored a writing contest in honor of Dr. Martin Luther King. They awarded money prizes in three categories. The officers of the club were Geddes Shaw, president; David Benson, vice-president; Deah Coleman, treasurer; and Lisa Fair, secretary. The other members of the club were Sharon Gatewood, Steve Williams, Decole Russell, Denise Ashley, Larry Thomas, Ron Stallworth, Donald Anderson, Mary Nobles, and Calvin Hall. The sponsor of the club was Mr. Stanley Gresham.

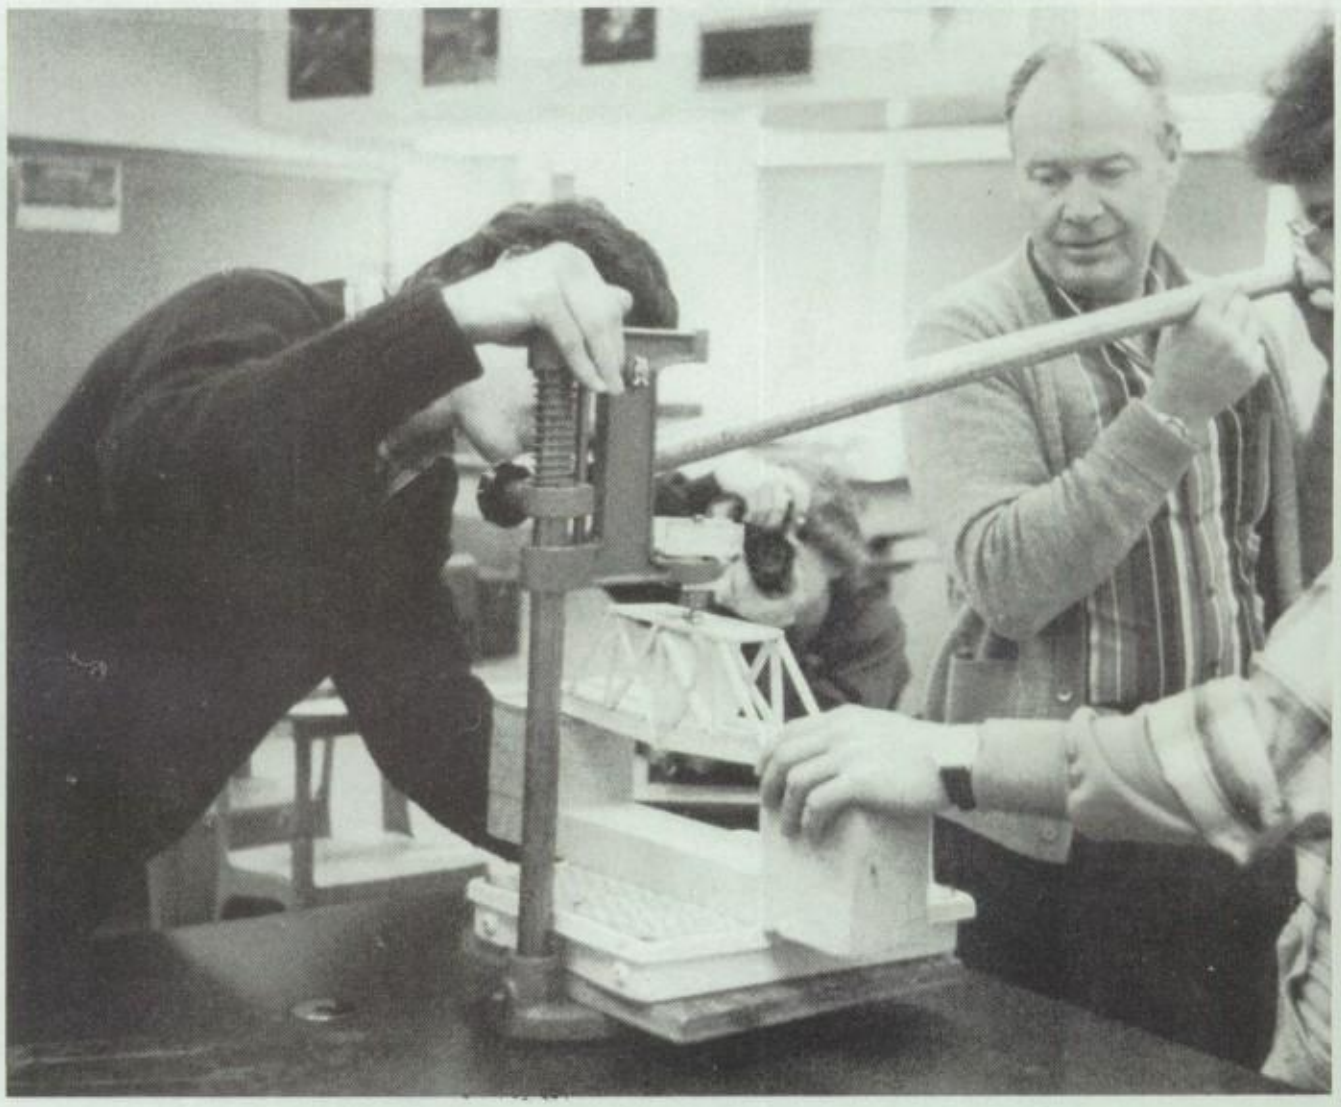
Bridge builders are constructive.

The fifteenth annual bridge building contest took place at Lincoln High during February. This event was one which allowed students, especially those who had participated in physics, to put their knowledge into practice by constructing the sturdiest bridge possible. The only materials with which the contestants were allowed to work were balsa wood and glue. There were regulations which the contestants had to follow. Specific measurements of length, width, and height were given. The weight of the bridge could range from forty to sixty grams.

The bridges were judged on the highest efficiency ratio, which was determined by dividing the maximum load placed on the bridge by the weight of the model.

The purpose of the contest held at Lincoln was to determine the three bridge builders who were to participate in the state competition. This year's top three builders were Jem Carroll, Darrin Tams, and Dan Clem. Jem had an efficiency ratio of 1,294, which gave him the top position at Lincoln. Darrin ranked second and Dan third. These top positions qualified the builders to compete in the state competition. In spite of their efforts, the students were unable to place in this event.



Mr. Einarson, bridge building sponsor, prepared to test Darrin Tam's Bridge.

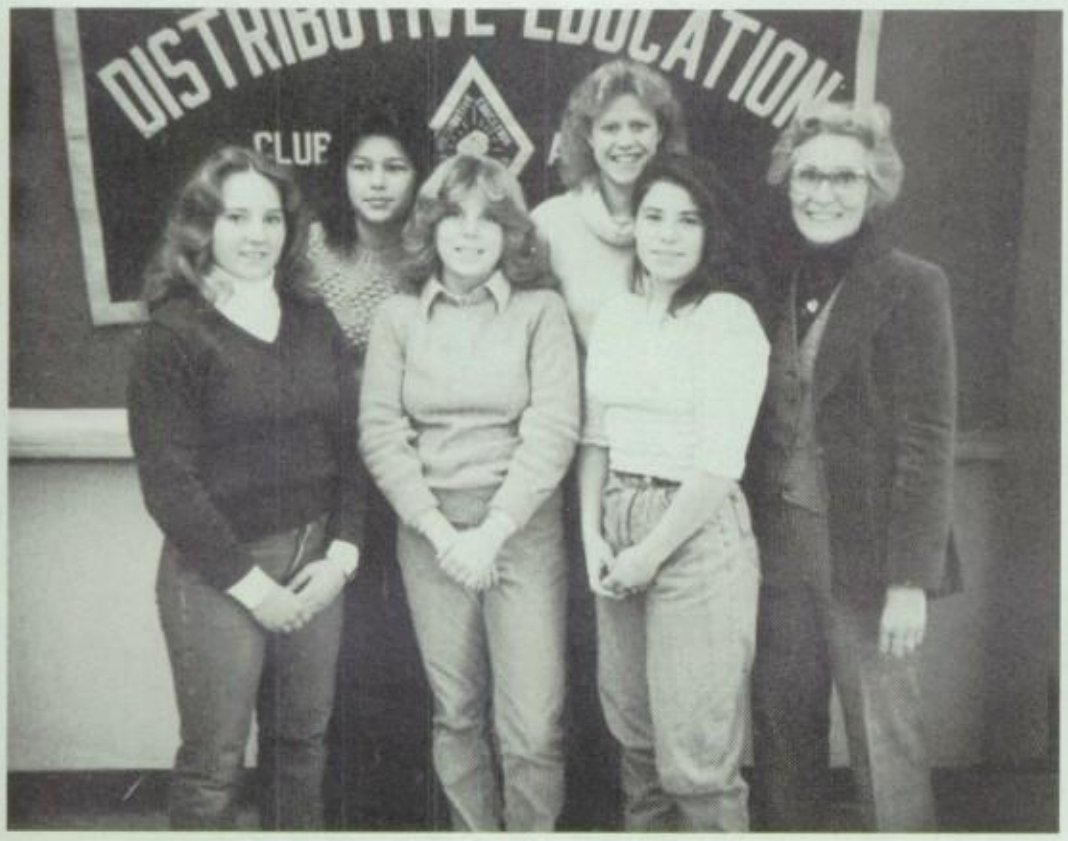
DECA is busy at work



Distributive Education Clubs of America are youth organizations for students enrolled in the distributive education program. The program is geared to prepare its members for their working careers. The students get on-the-job training at jobs that are related to their career objectives.

In the classroom the students are taught with the emphasis on vocational competence, salesmanship, leadership, understanding of the free enterprise system, citizenship responsibilities, and high ethical standards in business. The program also establishes a sense of responsibility to the civic, social, and moral welfare of society.

Under Mrs. Howell's sponsorship the DECA club was successful. They sponsored the annual Mr. and Miss Lincoln Contest, raised money, went to District competition, represented Lincoln at the Western Conference in Las Vegas, and engaged in many other activities.

This year's club was led by president, April Truitt; vice president and program chairman, Debbie Schanhals; secretary, Sherry Martinez; treasurer, Kris Wilderman; and publicity chairman, Lisa Del Toro.

Wind Ensemble and Kennedy's Concert Band got together in January for a performance in Kennedy's auditorium. This was the first time the bands had ever given a concert together. The Wind Ensemble also gave concerts at various junior high schools.

The Jazz Band attended a few festivals during the course of year and consisted of members from Wind Ensemble.

Choirs continue to vocalize

Mrs. Karen Weissenbuehler directed the Concert Choir and Jazz Choir during their performance in the Christmas program. Concert Choir also harmonized for a few local junior high schools and performed Handel's "Messiah" with five other D.P.S. concert choirs.

The Concert Choir and Jazz Choir sang at the Brown Palace Hotel. The Jazz Choir sang for community groups throughout the year and consisted of members in the Concert Choir. Both groups must be auditioned for.

Mixed Chorus consisted of aspiring new singers who just liked to sing and further their vocal abilities. No auditions were necessary for the choir.

The Drama Club again helped with Operation Cheer this year by giving performances of "How the Grinch Stole Christmas" for the children.

Every year over spring vacation, the Drama Club takes a trip to a place with a lot of theatrical culture. This year they went to London, England where they saw The Tower of London, Stonehenge, London productions, and much more.

LI'L ABNER animates stage

The musical "Li'l Abner," taken from the comic strip of the same name, was presented on Lincoln's stage on November 6, 7, and 8. It was directed by Mr. Ron Ingle and student directed by Connie Tomsic.

The story takes place in a small out-of-the-way town called Dogpatch. The main plot revolves around the annual Sadie Hawkins Day. In Dogpatch, in order for a girl to marry a boy, she must catch him in the Sadie Hawkins Day race. Daisy Mae (Sherri English and Sheila Peebles) has been trying to catch Abner Yokum (Pat Maschka) for years, but he wouldn't let her. Mammy and Pappy (Michelle Olguin, Chris Kittleson, and Derald Price), Abner's parents, keep trying to convince Abner to let Daisy catch him.

In the midst of all this, the government decides to bomb Dogpatch because there is nothing necessary about it. The bombing will come before Sadie Hawkins Day so any man can claim the girl of his choice. In order to save Sadie Hawkins Day and the town, the people of the town set out to find something necessary. Marryin' Sam (Doug Holley) arranges for Earthquake McGoon (Wayman Wilson) to claim Daisy Mae in marriage. This becomes complicated when Abner also claims Daisy in marriage. However, in the end everything works out: Daisy and Abner get married and Dogpatch doesn't get bombed.

Other members of the cast were Suzanne Cordova, Danny Brin, Dan Gercke, Terry Brown, Mike Medina, Karla Katt, Danette Baltzer, Jerome Trujillo, Joe Leyvas, Mike Stephens, Cheryl Watson, Traci Anderson, Jerry Medina, Lisa Wood, Lisa Frueler, Derek Clark, Jeff West, Danny Sisneros, Jill DeLage, Shelli Hernandez, Kathi Ornelas, Fab Argueta, Tammy Reeves, Jackie White, Yvonne Valdez, Deah Coleman, Karen Anderson, Veronica Mendoza, Scott Stewart, Liane Sedillos, Carrie Salazar, John McLellan, Tina Cole, and Cindy Chavez.

The show was a great success with much thanks to Mr. Jack Fredericksen and his orchestra; Mrs. Karen Weissenbuehler, vocal director; Miss JoAnn Ewing, choreographer; and Lisa Wood, student choreographer.

Executive Internship Program looks toward future

Executive Internship Program is a fantastic opportunity for students of Abraham Lincoln and other Denver public high schools. It provides students an opportunity to work alongside an executive of a large corporation, public offices, or public services.

All interns attend weekly seminars which may involve organizational and management concepts, field visits, inservice training, and conferences with officials.

This year's interns, sponsored by Ms. Sherbon, were Liane Sedillos, Lee Olyer, Bev Geist and Regina Lopez first semester and Lisa Ertle second semester.

These students were recommended by counselors and teachers and interviewed and selected by sponsors.

Operation Cheer: the cheerful side of Lincoln

Operation Cheer is a program designed for less fortunate kids. Participating in this year's Operation Cheer were children from Westwood, Monroe and College View elementary schools. The kids were picked up at their home schools at 2:00 in the afternoon and transported to Lincoln to participate in different activities throughout the buidling. These activities included a pizza, punch, and ice cream party; a play entitled "How the Grinch Stole Christmas" (put on by the Drama Club), and time to visit ol' St. Nick. A good time was shared by all.

Where do we go from here?

We, as seniors, will soon graduate from 12 long years of hard but gratifying learning. Graduation is our cue to going on to bigger and better things (in our own minds anyway).

College is on a lot of people's minds. Others will start to earn a decent living right away.

Whatever we do, we all have the pleasure of knowing that through those 12 years of school, we have been guided and consoled by those tremendous human beings known as teachers.

Though when you think back at the times when a teacher yelled at you or sent you to the principal's office, you begin to realize that they were only trying to help you make it to where you are today.

What about our parents? They will be losing a child. But, they will also gain an adult friend.

The most important question is: What about ourselves? What are we losing, or gaining for that matter? Sure for many we are losing very close friends that have been together since way back when. But we will be gaining new friends throughout life. Something that we gained, but will never lose is an education that has enriched and made us the excellent seniors that we are proud to be.

To the Abraham Lincoln senior class of 1982, best wishes.
